Dakota Transit Association is a coalition of public agencies and private organizations that promote and support public and specialized passenger transportation programs within North Dakota and South Dakota. The annual fall conference provides an opportunity for DTA members, FTA officials, Department of Transportation personnel, and persons interested in passenger transportation to learn, share ideas, and network.

We invite you to share your product and/or services at our fall conference tradeshow on Tuesday, September 19, 2023.

We also have several opportunities for you to sponsor a break, meal, or awards during our conference and the printed program provides a chance for you to purchase advertising that reaches your target audience directly.

We hope to see you at the 2023 Dakota Transit Association
Fall Conference!
